Education

Bachelor of Computer Applications

Vikram University
August 2014 - July 2017

FULL STACK WEB DEVELOPMENT

Masai School
August 2022 - June 2023

Technical Skills

- React
- JavaScript
- RESTful APIs
- CSS3
- HTML5
- Redux
- Responsive Web Design
- Git

Soft Skills

- Teamwork
- Problem Solving
- Effective Communication
- Adaptability
- Time Management
- Attention to Detail

Achievements

Zoom Marathon Challenge

Masai School

It was a 26-day challenge in which we created videos of 3-5 minutes in length continuously to improve our fluency in English.

Vivek Singh Tomar

Frontend Developer(React)

Professional Summary

Dynamic and innovative Frontend Developer with expertise in React.js, JavaScript, and RESTful APIs. Demonstrates strong problem-solving abilities and effective communication in collaborative environments. Capable of leveraging Generative AI and quickly mastering new technologies to deliver exceptional, scalable user interfaces.

Experience

- | | | |
|------------------|------------------------|-----------------------------|
| Density Exchange | Jr. Frontend Developer | September 2023 - March 2024 |
|------------------|------------------------|-----------------------------|
- Facilitated collaboration with cross-functional teams of 20+ members, including designers, product managers, and developers, to deliver high-quality products within strict deadlines.
 - Implemented responsive design principles, resulting in a 30% improvement in mobile user retention and a 20% increase in overall user satisfaction ratings.
 - Led the integration of React Native, contributing to the development of 15+ new features deployed across web and mobile platforms, resulting in expanded market reach and improved user engagement metrics.

Projects

- Match Your Role**[Live Demo Link](#)[Github Repo Link](#)
- [React](#)[Redux](#)[Git](#)[Node.js](#)[Express.js](#)[MongoDB](#)
- [Responsive Web Design](#)
- Developed a user-friendly interface using React to connect job seekers and employers.
 - Integrated Redux for efficient state management across various components.
 - Implemented user authentication for enhanced security using Node.js and Express.js.
 - Ensured cross-browser compatibility and responsive web design for an optimal user experience.
 - Integrated Email.js for email notifications and Razorpay for payment processing.
